### **Help match Mennonite Church Canada’s donation to Mennonite World Conference’s COVID-19 relief fund!**

Since the spring our nationwide community of faith has raised \$30,000 for [MWC’s Global Church Sharing Fund](#) to help our sister churches around the world who are struggling to meet basic needs due to pandemic-response measures in their countries. If you haven’t already donated, please help us reach our \$50,000 goal. We’re almost there.

### **INDIGENOUS-SETTLER RELATIONS**

#### **Explore Mennonite advocacy for Indigenous justice**

**Land reparations. Treaty rights. Political and spiritual covenants.** Over the past 50 years, Mennonites – at their best – have publicly resolved to uphold the rights of Indigenous peoples, and promised to work for change. *Be It Resolved* is a new anthology that shares the commitments that our churches and partner coalitions have made, and explores what it might mean for today. With an 8-session study guide, this is a great tool to stoke Adult Ed conversations over zoom, or individual reflection. Groups can purchase five copies for \$75 through [CommonWord](#).

#### **Worship and Mission: Book reviewers wanted!**

What does worship have to do with mission? How should our worship look and feel in order to embody peace and embolden justice? The Anabaptist Witness journal is creating an issue that explores the connections between witness and worship. We have a bunch of amazing books on the topic and are looking for people to read and write personal reflections that engage church contexts. If you are interested, please contact [Steve Heinrichs](#).
