Welcome to Worship

 **FOCUS STATEMENT:** While Christian denominations often emphasize those things that make each distinct from the other, a closer look at our music reminds us that we are all followers of Jesus, guided by the same Spirit, unified as we worship the same God. As we mark the 100th anniversary of our building, we celebrate a century of faithful worship.

Welcome & Announcements

Call to worship (Rev. Andrew Roddan, Dec 26, 1920)

Let us humbly dedicate this building
to the service of God and humanity,
and earnestly pray that through its services
the homes of the people may become centres of love and peace;
**that the lives of little children may be made more happy
in the knowledge of Jesus their Saviour and Friend;**
that young people may find wise counsel
to keep them on Christ's highway of life;
that the weary may find rest;
the sorrowing comfort;
the friendless kind friends;
the stranger a warm welcome;
the sinful a loving Saviour;
and all people true Christian fellowship.

**Let us resolve to be faithful to the teaching of God's Word,
faithful in all our relationships with others,
and faithful to our Lord and Saviour Jesus Christ. Amen.**

Litany of Rededication

(inspired by Cynthia Lapp's "Litany of Dedication")

We give thanks to the Creator for the gift of this land,
for the covenants and stories it holds.
We commit ourselves to care for the earth and to seek its wholeness.

We rededicate ourselves to the healing of this land.

We offer humble thanks to the Indigenous peoples of this land.
We acknowledge the harms of the past and present,
and we commit ourselves to being Treaty people.

We rededicate ourselves to justice in this land.

For worship and the rituals of the church,
for studying Scripture, learning and discerning,
for forming faith in community,

we rededicate ourselves and this building.

For comfort to those who mourn and strength to those who struggle,
for joy and laughter, good fellowship and good food,
for ever-widening hospitality,

we rededicate ourselves and this building.

For welcome to those who search a spiritual home,
For belonging to those who seek community,
For a wide embrace of all your splendid and diverse human family,

we rededicate ourselves and this building.

For seeking justice when wrong is done,
for speaking peace when violence threatens,
for embodying God's healing and hope in this world,

we rededicate ourselves and this building.

We give thanks for wood and brick, drywall and paint,
for windows and doors, carpets and the elevator.

To their care and maintenance, repair and renovation,

we rededicate ourselves in this building.

Bless this land and this building, O God.

May it continue to be sacred space
for generations to come.

Thanks be to God.

Canadian Mennonite University

Canadian Mennonite University Face2Face | From Violence to Peace:

Stories can change the world – CMU's next Face2Face conversation draws upon a CMU Peace and Conflict Transformation Studies class, 'Cultures of Violence, Cultures of Peace'. This class of 27 includes 11 students from the Mindanao Peacebuilding Institute (MPI) in the Philippines. The weekly learning, relationships, and stories shared by these students and peace practitioners have been transformative. Wednesday, November 18 from 8:00–9:30 PM (CST) Online, somewhat later than normal in order to accommodate participants in the Philippines, given a 13-hour time difference. The livestream feed will be available here www.cmu.ca/face2face.

During the pandemic CMU remains VIRTUALLY OPEN to all prospective students. Any student who applies by November 30 will have the \$80.00 application fee waived! Sign up for an Individual Virtual Visit and a one-on-one conversation with an Admissions Counsellor at enrolment.cmu.ca/portal/virtual_visits or choose to be part of CMU's next Virtual Campus Visit Day on Friday, November 27 from 4:00–5:00 PM (CST). Register for this and other dates at www.cmu.ca/virtualopenhouse.

CMU is seeking your help! Students presently living on campus, whose homes are east of Terrace Bay, Ontario, will be returning to spend time with their families over the Christmas break. On their return in January they must each quarantine for 14 days. CMU faces space limits for this purpose on their return and we are looking to secure vacant basement suites, apartments, heated trailers, hotel suites... for students from Ontario facing this reality. Accommodations must include a private bedroom, private bathroom, and a good internet connection – and ideally a space for the student to cook for her/himself. Should you be aware of any possibilities, or want to know more, please contact Charlie Peronto, CMU Director of Student Life, at cperonto@cmu.ca. Thank you!

Mennonite Church Canada congregations donate \$40,000 to Mennonite World Conference's COVID-19 relief fund

Since the spring, our nationwide community of faith we has raised over \$40,000 for [MWC's Global Church Sharing Fund](#) to help our sister churches around the world who struggle to meet basic needs due to pandemic-response measures in their countries. We reached 80 per cent of our goal to match Mennonite Church Canada's initial donation of \$50,000 in the spring. Thanks to everyone for helping to build up our global body of believers.

INDIGENOUS-SETTLER RELATIONS

Take Action for the Declaration

The Government of Canada promised to introduce legislation to implement the UN Declaration on the Rights of Indigenous Peoples by the end of 2020. With only one month to go before the House of Commons breaks for the year, we are still waiting and praying! Please send the Minister of Justice and key politicians an urgent message—using [MCC's Take Action Letter](#)—to support this “framework for reconciliation” (Truth and Reconciliation Commission of Canada).

INTERNATIONAL WITNESS

Colombia Mennonite Church calls for end to mass violence

In [a statement from the Colombian Mennonite Church](#) on the massacres in communities and the assassinations of community leaders and former guerrillas, the church strongly calls the government, civic leaders and churches to work together to decrease violence and injustice in their society. There have been more than 60 mass killings so far this year. Adolescents, young people and small farmers are main victims. Please pray for safety, wisdom and peace for the pastors, leaders and congregations of the Mennonite churches as they take this courageous stand for peace and justice.

Prayer as tensions rise in Ethiopia Pray that the Meserete Kristos Church in Ethiopia, the largest church in Mennonite World Conference, will be a strong voice for peace as ethnic tensions threaten civil war and nine million people are at risk of displacement due to increasing violence. Pray that the ethnic divisions will not spill over into the church. Pray for unity and peace.
