Welcome to Worship

Focus Statement: The Land: Indigenous Perspectives

The land upon which our church building stands was Indigenous land, and various treaties were made and broken here. How do we need to repent for the violation of this land? What does the work of reconciliation and healing look like? To what is God calling us today?

Gathering

Welcome & announcements

Call to worship

Leader: Let us give thanks to our Creator, for the Creator is always with us.

All: Creator and creating God, you have given life to all around us.

Leader: You call us to be with you whether we are inside in the shelter of these walls or outside in the shelter of your trees.

All: God is with us when we gather together and when we are alone.

Leader: We are here to answer that call.

All: We will sing joyfully and we will listen attentively for your whispering voice.
